Since the last meeting of this body, this RD conducted a Service System Proposal workshop, Saturday, October 29, 2011 for the Niagara-Oleons Area of WNY. The following is an outline of upcoming zonal service commitments:

- I. MRLE
 - A) Dec. 2 – 4, 2011 Manchester, NH
 - B) Topic: CAR – Service Structure
- II. MARLCNA
 - A) Feb. 10-12, 2012 Lancaster, PA
 - B) Topic: CAR and CAT proposals

Once again, your regional delegates ask that the word be spread by the RCMs that each ASC request their Area to schedule service structure workshops for the purpose of gaining input and conscience regarding the proposed changes to NA's service structure. As previously stated in the July and September 2011 reports to this body changes to NA's service structure have been proposed and continue to be revised in preparation for the upcoming World Conference.

It is therefore important that the RCM's begin communicating with the homegroups of their perspective Areas that we are in a World Conference cycle Beginning in January 2012 CAR/CAT workshops will be conducted for the purpose of obtaining the conscience of each Area, so that the voice of WNYRSCNA can be carried to World.

Again, if we as a Region want to effectively participate "in matters affecting other groups or NA as a whole" (4th Tradition), then we need to be mindful of the 7th, 8th, 9th and 11th Concepts of NA; as well as, the 1st Tradition.

- Tradition 1 "Our common welfare should come first. Personal recovery depends on NA unity."
- Concept 7 "All members of a service body bear substantial responsibility for that body's decisions and should be allowed to fully participate in its decision-making processes."
- Concept 8 "Our service structure depends on the integrity and effectiveness of our communications."
- Concept 9 "All elements of our service structure have the responsibility to carefully consider all viewpoints in their decision-making processes."
- Concept 11 "NA funds are to be used to further the primary purpose, and must be managed responsibly."

Request for workshops can be scheduled by calling Jim L.

Request for reimbursement and dispersement are attached to this report.

More will be revealed ~ yours in service,
