

## WNY Regional Delegate Report

Good afternoon,

Thank you for letting me be of service. There were no service commitments that the delegate team needed to attend since we last met. There was a virtual meeting that was marginally attended by a few of the zones and the hosting region (NJ) delegate team was not in attendance. This is a fairly new method for the participating regions in the zone to effectively communicate so I would anticipate a few more bumps in the road until this becomes the valuable tool we all are quite confident it can become. Some of the items on the agenda could not be discussed due to a lack of members being present. Some things that were discussed:

- Does this body want the RD to make formal decisions at our virtual meeting? I would like to have a brief discussion in regards to this in new business
- The meeting time for the NEZF business meeting has been moved to the original start time of 8:00pm
- The next time we meet virtually will be August 27th at 3:00 pm
- Greater NY will be the only region from our zone bringing a motion
- A region in Europe is submitting a motion to switch to zonal seating at the WSC

The next NEZF will be on October 27-29 in Iselin NJ. Mary Ellen from the WB will facilitate the Future of the WSC workshop. I am uncertain what the other workshop topics will be as the hosting region was not present at the virtual meeting; more will be revealed. I am requesting disbursements(\$1,200.00) for this commitment.

In loving service,  
Stephen D
