NA is a nonprofit fellowship or society of
men and women for whom drugs had become
a major problem.We are recovering addicts who meet
regularly to help each other stay clean. This is a program
of complete abstinence from all drugs. There is only one
requirement for membership, the desire to stop using.
We suggest that you keep an open mind and give yourself a break.
Our program is a set of principles written so simply
that we can follow them in our daily lives.
The most important thing about them is that they work.
